Title: Need to sanction adequate funds for widening and improvement of National Highway No. 32 between Amchira and Shyam Nagar in West Bengal.

SHRI BIR SINGH MAHATO (PURULIA): National Highway No. 32 is an inter-State road passing through Jharkhand and West Bengal. It is connecting Tata Nagar Steel City with Bokaro Steel City and Dhanbad of Jharkhand through the Purulia district of West Bengal. It is also connecting Dhanbad, Bokaro, Singhbhum East and West, Seraikela with Purulia district of West Bengal. Twenty-four kilometres of this road from Amchira to Shyam Nagar in the district of Purulia, West Bengal is still single lane dilapidated road. Accidents are taking place very often here.

I, therefore, urge upon the Central Government to sanction adequate funds for widening and improvement of National Highway 32.
